Welcome to Trusiak Law

Robert Trusiak, attorney at law, offers a valuable set of legal skills based on his 20 years of experience as a Federal Assistant United States Attorney, coupled with corporate experience as a chief compliance officer for a large health care provider. Mr. Trusiak offers practical legal and compliance solutions to physicians, practices, health systems, skilled nursing facilities and other health care businesses. He also counsels clients on a number of state and federal health care regulatory matters, including health care reform, fraud and abuse, the Stark Law, Privacy Law, and health care compliance issues.

OUTSTANDING EXPERIENCE: FEDERAL PROSECUTOR,
CORPORATE COUNSEL, COMPLIANCE OFFICER, PRIVACY OFFICER,
ADJUNCT PROFESSOR, STATE PROSECUTOR

Mr. Trusiak served as an Assistant United States Attorney in charge of the civil health care fraud unit of the U.S. Attorney's Office, Buffalo, NY. Mr. Trusiak prosecuted civil and criminal cases on behalf of the United States of America involving health care fraud, Department of Defense fraud, HUD fraud, grant fraud, VA fraud, ERISA violations, Tax fraud, Securities fraud, Customs violations, USDA violations, and all

forms of procurement fraud. He also served as Chief Compliance Officer at a large health care provider, caring for over one million patients annually, where he managed the internal Compliance team, litigation teams of outside counsel, litigated administrative and contractual actions, ensured regulatory and statutory compliance, including Medicare Secondary Payor and HIPAA, and resolved matters involving accrediting and enforcement entities as well as individual matters. Mr. Trusiak also is an Adjunct Professor, University of Buffalo, teaching a graduate level course entitled "Health Care Fraud and Abuse." Mr. Trusiak also was an Assistant County Prosecutor, Cuyahoga County, Ohio (Cleveland, Ohio), in which he prosecuted more than 50 trials involving homicide, rape, assault, and multiple kilogram drug offenses.

**SUCCESS IN THE COURTROOM,
THE CORPORATE BOARDROOM, THE U.S. ATTORNEY'S OFFICE**

Mr. Trusiak's unique experience involves understanding the challenges at the critical levels necessary to address and manage risk; namely, real litigation experience in the courtroom, genuine experience as a federal prosecutor for civil and criminal actions and practical understanding of working with a corporate organization as corporate counsel and Chief Compliance Officer for Kaleida Health.

HIPAA AND HITECH RISK MANAGEMENT

Privacy and Security pose significant risks for all forms of health care entities. Mr. Trusiak has managed this critical area of risk for clients on the entire spectrum of HIPAA and HITECH compliance, including creation of policies, securing appropriate cyber insurance, managing breaches and coordinating with the state and federal oversight agencies after a breach. Unlike many practitioners in the privacy area, Mr. Trusiak has implemented the required HIPAA and HITECH policies to permit his law firm to work with health care entities.

AREAS OF PRACTICE
